Cantilever Racking, Pidgeon-hole rack, Timber locker, A-rack and Rack for metal sheet etc are specially designed to store long goods and items of varying lengths.

They are ideal for the safe and organized storage of long and heavy loads. They are also ideal systems for storing steel bars, pipes, tubes, furniture and packs of timber. Some of them are also suitable for storing boards, metal sheets or large and valuable items such as crates or boxes and even white goods. For instance, the best solutions provide a clear layout with easy access, using the minimum of space, all at low cost.
